Re: Job No. R10732

Gentlemen:

The purpose of this letter is to say **THANK YOU** for your recently retrieving all of our client record, billing, and other data from our server's hard drive after its untimely demise. You saved our lives.

In addition to an 18 hour turn-around time in retrieving all of our data saving us countless labor in rebuilding our records, your professionalism and reassurance kept us calm during our disaster.

Thanks to your efforts, we have been able to complete the rebuilding our system, and are probably now even "Y3K" compliant.

Again, thank you for your assistance, and should your firm ever need a reference or recommendation, please feel free to give ours as a more that satisfied customer.

Very truly yours,

**BARRY M. FOLINSKY**
