Dear Mr. Fonseca

I would just like to thank you for the recovery service your company provided. Everyone I dealt with at Advanced Data Solutions were very professional and helpful at a time of incredible distress of the thought of losing valuable files due to the damage of my faulty Castlewood Orb drive.

I would not hesitate to refer your company to a friend or colleague for any type of data recovery needed.

Thank you again for your help.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bill Pike', written in a cursive style.

Bill Pike
