Re: Testimonial Letter from the LEAD Program (Invoice #2012)

Dear Pamela:

I am writing to express my sincere thanks and deep gratitude to Advanced Data Solutions for saving our hard drive. It crashed unexpectedly one day, and we thought we had lost all our critical information. However, a colleague recommended that we send the hard drive to your offices to determine whether the information could be retrieved. As it turns out, Advanced Data Solutions worked a miracle: it was able to retrieve all the information in good condition and we were back in business.

Again, we can not thank you enough for your excellent service and assistance.

Sincerely,

Allyson Moore
Executive Vice President
