Advanced Data Solutions
2605 Hoover Ave. Suites F & G
National City, CA 91950

February 4, 2000

To Advanced Data Solutions:

The data recovery experts at Advanced Data Solutions were very quick in their assessment of my hard drive and were able to rapidly and efficiently save my data. They accomplished this at a very affordable price for my small business and saved me countless hours of data reentry. It was extremely convenient that the company provided the expert personnel and necessary parts and equipment all under one roof.

Thank you Advanced Data Solutions!
