Advanced Data Solutions
Attn.: Alfred Joseph and Tim Lider
2605 Hoover Avenue Suite F
National City, CA 91950

Dear Alfred and Tim,

I am writing this letter to thank you for saving our company. I feared the worst when our accounting system crashed and could not be rebuilt from our back up which was also corrupted.

Not only were you helpful in recovering our data, but you also took the time to help the technicians with the re-install afterwards. Again, thank you for a job well done.

Sincerely,

Louis J. Rodriguez
Vice President and COO
