Mr. Jose M. Cruz, General Manager:

I wish to thank you and your staff for saving me great turmoil and many extra hours due to the "crash" of my hard drive this past week. You can imagine my dismay as the computer was purchased only two weeks previous.

Through your prompt attention, I am now able to continue as before with the most minimal disruption possible. My clients, also, extend a big thanks as it is their reports which could have been delayed much longer.

Please let this letter serve as a recommendation to future customers.

Sincerely,

Cliff Elledge
