Dear Ms. Martin:

We received the graphics files you recovered from the two CDs we submitted to your company.

Your expertise and skill saved me months of work trying to recreate the data files/graphics on two damaged CDs. In addition, it was a pleasure working with you and the others with whom I dealt. Your company is responsive and reasonably priced, and I heartily recommend you to anyone trying to recover data from damaged CDs.

Thank you, and have a wonderful New Year!

With warm regards,

Jane Cooper
